

COMPUTER SOCIETY OF INDIA

 विश्लेषणा
 Visleshana

The Flagship Publication of the Special Interest Group on Big Data Analytics

Call for Papers

Visleshana is the official publication dedicated to the area of Big Data Analytics from Computer Society of India (CSI), the first and the largest body of computer professionals in India. Current and previous issues can be accessed at <https://issuu.com/visleshana>.

Submissions, including technical papers, in-depth analyses, and research articles in **IEEE transactions format (comsoc)*** are invited for publication in "Visleshana", the flagship publication of SIGBDA, CSI, in topics that include but are not limited to the following:

- Big Data Architectures and Models
- The 'V's of Big Data: Volume, Velocity, Variety, Veracity, Value, Visualization
- Cloud Computing for Big Data
- Big Data Persistence, Preservation, Storage, Retrieval, Metadata Management
- Natural Language Processing Techniques for Big Data
- Algorithms and Programming Models for Big Data Processing
- Big Data Analytics, Mining and Metrics
- Machine learning techniques for Big Data
- Information Retrieval and Search Techniques for Big Data
- Big Data Applications and their Benchmarking, Performance Evaluation
- Big Data Service Reliability, Resilience, Robustness and High Availability
- Real-Time Big Data
- Big Data Quality, Security, Privacy, Integrity, and Fraud detection
- Visualization Analytics for Big Data
- Big Data for Enterprise, Vertical Industries, Society, and Smart Cities
- Big Data for e-governance and policy
- Big Data Value Creation: Case Studies
- Big Data for Scientific and Engineering Research
- Supporting Technologies for Big Data Research
- Detailed Surveys of Current Literature on Big Data

All submissions must be original, not under consideration for publication elsewhere or previously published. The Editorial Committee will review submissions for acceptance. Please send the submissions to the Editor, Vishnu S. Pendyala at visleshana@gmail.com.
